Dear Member

I am both honoured & privileged to have been elected as Carrickfergus RFC President to lead the Club for a second time.

Over the past few years, we have found our playing sections striving to achieve levels many of our competitors found easier to surpass. The theme over the coming year must be to reverse this trend and maximise our potential as a force to be reckoned with..... right now!

In six months' time, on 1st January 2015, we will commence our 150th year in existence as probably the second oldest rugby club in Ireland. It is my intention, as President, to make these celebrations for this historic milestone, inclusive to every Club member. This vision will ultimately require dedication & commitment, not only from the Management Committee, the various sub-committee's but most important of all, YOU as a player or coach.

Every source available to us will be directed at building a stronger foundation. Our 150th anniversary will not only celebrate the past but more fundamentally be the start of a new chapter in the future of Carrickfergus Rugby Football Club.

Good luck in all that you do.

Yours sincerely
